Subject: RE: Media request - WRPS re: Hanford

Hello Jerry,

Here's a formal FOIA for the media material I'm interested in. If I need to send this to anyone else on the WRPS, ORP, DOE team, please let me know.

This is a request under the Freedom of Information Act. I specifically request:

- Any inspection video or documentation video or photographs of AY-102, the leaking double-shell tank on the Hanford site, from January 1, 2011 to present;
- Any inspection video or documentation video or photographs of T-111, the leaking single-shell tank on the Hanford site from 1/1/2011 to present;
- Any video or photographs of the vapor monitoring equipment and its use at the Hanford Tank Farms;
- Any available media handout video or photographs of the Hanford Tank Farms from 1/1/09 to present;
- Any records of air sampling results from the tanks or Tank Farms dating from 1/1/2014 to present;
- Any records relating to toxic air pollutants identified from AN, AW, and AY/AZ tank farms from 9/1/2014 to present.

Please feel free to contact me with any questions regarding this request, or if any fees are incurred in complying with this request.

Thank you,

Serene Fang
